

PRATHAMESH PAWAR

prathameshpawar932004@gmail.com | +91-8788426476 | github.com/Prathamesh0903

Brief Summary

I am Prathamesh Pawar, MERN stack developer with Knowledge in Java, C, JavaScript, React, Node.js, Express.js, MongoDB, MySQL, and Data Structures & Algorithms. With a good foundation in full-stack development, I am actively building and scaling atmamii.com, demonstrating my ability to create scalable applications. Passionate about problem-solving and efficient coding, I am dedicated to crafting innovative web solutions and optimizing system performance.

Education

D. Y. Patil College Of Engineering & Technology, Kolhapur <ul style="list-style-type: none">Computer Science and Engineering CGPA: 8.01	2022 - 2026
L.S.K Yashoda College Of Arts, Commerce And Science, Satara <ul style="list-style-type: none">HSC (Class XII), Percentage: 74.33%	2020 - 2022
K.S.D Shanbhag Vidyalaya , Satara <ul style="list-style-type: none">SSC (Class X), Percentage: 84.60%	2019 - 2020

Skills

Java | Python | React JS | JavaScript | NodeJS | Express | Next JS | API | MongoDB | MySQL | Problem Solving | Github

Projects

Atmamii Industries	Nov 2024
---------------------------	-----------------

Project Link: atmamii.com

Atmamii Industries is a consultancy platform designed to support startup companies by offering tailored services and essential resources. The website is built using HTML, CSS, JavaScript, and Bootstrap, ensuring a user-friendly, and visually appealing experience.

- Expert business guidance for early-stage startups.
- Structured mentorship programs.
- Networking opportunities with industry professionals.
- Clean and modern web designs.

Bug Tracker	June 2025
--------------------	------------------

Project-Link: <https://bug-tracker-mu-lilac.vercel.app/>

Developed a Jira-like project management tool using React and Bootstrap for managing projects, featuring Firebase Authentication for secure user access. Implemented core functionalities for managing team members, and tracking tickets with a drag-and-drop interface using [@dnd-kit](https://dnd-kit.org/) and [@reduxjs/toolkit](https://react-redux.js.org/) for seamless task status updates. Designed an intuitive UI for efficient project tracking, enhancing team collaboration and workflow management.

pop

Full-Stack Trading Platform	Feb 2025
------------------------------------	-----------------

Developed a full-stack trading platform inspired by Zerodha using the MERN stack. The application features real-time stock data display, portfolio management, and trade execution functionalities.

- Designed and implemented a **RESTful backend** with **Node.js** and **Express.js** to handle data management and used **Firebase** for user authentication.
- Built an interactive frontend using **React.js** and **Bootstrap**, ensuring seamless usability across devices.
- Integrated **Jest** for unit and integration testing to ensure system reliability, accuracy of trading logic, and performance stability.

Web Links

Github - <https://github.com/Prathamesh0903>

LinkedIn- <https://www.linkedin.com/in/prathamesh-pawar-518035247>

Academic and Extracurricular Achievements

Secured 3rd Rank in First-Year Capstone Project - Developed a Python-based Desktop Assistant, integrating backend logic (Python libraries) and frontend (HTML, CSS).

- Worked in a **team of 4 members** contributed to both functionality and UI development.

Awards And Scholarships

EBC Scholarship (MHT CET 2022) – Awarded by the Maharashtra government for securing 93 percentile in PCM (Physics, Chemistry, Mathematics) in state entrance exam.

Personal Details

Gender: Male

Date of Birth: 09 Mar, 2004

Current Address: 215 Raviwar Peth ,
Radhika Road, Suryaprabha Hospital,
Pratibha Niwas, Satara, Maharashtra, India – 415002

Known Languages: English, Hindi, Marathi
